

AFIR-ERM COLLOQUIUM 2019

“Innovating Actuarial Research on Financial Risk and Enterprise Risk Management”

Best Paper Award

The AFIR ERM 2019 Best Paper Award honored excellent contributions to the colloquium program. Every AFIR ERM 2019 participant was eligible to compete for the Best Paper Award by submitting a full paper of the research results during the call for papers process.

Following submissions the Scientific Committee selected the award winner

*Fair valuation of insurance liability
